Product Description

Kioti DK Series Tractor with Loader - DK4520

KL5520 Loader with 66" QA HD Bucket or 72" QA Bucket, Grill Guard & Loader Joystick Valve

DK4520 45-horsepower compact tractor designed for homeowners, hobby farmers, and small-scale ranchers.

Convenience Features

A deluxe suspension seat, PTO cruise, high ground clearance, power steering, tilt steering wheel, center marker, projection light for better night vision, and a one piece engine panel to check service points with ease.

Safety

Wet disc brakes, a sturdy ROPS or Cab, and a secure seatbelt keep you safe. Headlights, safety lights, and a rear work light lets you see attachments and drawbars clearly, even in low-light conditions.

Rugged Performance

Dependable, liquid-cooled KIOTI 3-cylinder diesel engine hums with fuel efficiency, ready to take on demanding jobs all day long. Engage the rear differential lock for unflinching traction, then command implements with the push-button hydraulic PTO.

Attractive Options

Dress up your tractor with impressive options. Swap standard tires for turf, industrial, or R14 tires. Add a fuel heater kit, 2nd remote hydraulic valve, or bluetooth speaker kit for comfort and convenience.
